Emma,

Not sure what the problem is, but here's what I tried sending you. -- Terri

Attached is EPA's response to a letter dated Jan. 26, 2012 from Cabot's CEO and Chairman Dan Dinges regarding the basis of EPA's involvement in the study of water quality in Dimock. Our response addresses concerns raised by Cabot in that letter. We are reviewing the company's latest statements and will respond accordingly. -- Terri

Hi Terri White -

I still haven't received your email on my work email and it's not in my quarantined folder either. Can you please send it to this address?

Best,
